CUSTOMIZATION OPTIONS

A quick overview of how TILLWOLFY turns standard products into branded gift solutions.

01 Logo Methods

Silkscreen, UV print, laser engraving, debossing, embroidery and metal plate logos.

02 Material Choices

Paper, PU leather, metal, plastic, stainless steel, ceramic, cotton, RPET, wood and cork.

03 Color & Finish

Pantone matching, matte, glossy, metallic, soft-touch and recycled-look finishes.

04 Packaging Options

OPP bag, white box, kraft box, sleeve card, tin box and retail packaging.

05 OEM / ODM Workflow

Idea discussion, artwork proof, pre-production sample, mass production and QC.

06 Sampling & Delivery

Sample review, approval, production follow-up, export packing and delivery support.

CUSTOMIZE YOUR BRAND, YOUR WAY

HOW WE WORK

A clear OEM & ODM project process from idea to delivery.

01

Need Check

Share product type, quantity, logo, target market and timeline.

02

Product Proposal

We recommend suitable items, materials, packaging and budget direction.

03

Artwork Proof

Logo placement, color and mockup are reviewed before sampling.

04

Sample Review

Pre-production sample confirms appearance, function and packing details.

05

Production & QC

Production follow-up, in-process checks and final inspection are arranged.

06

Packing & Delivery

Carton labels, export packing and delivery support are prepared.

Send your project idea. We will prepare a suitable gift proposal.
